Located within arguably Lancing's finest postcode, positioned at the very top of North Lancing and bordering our historical South Downs National Park we are excited and honoured to present this stunning family home for sale. Lovingly built in the 1970's by the current owners and suitably named 'Highview' this substantial detached home offers four double bedrooms, two with private balconies, a family bathroom, en-suite shower room, and dressing room to the first floor whilst downstairs boasts a large lounge, formal dining room, fitted kitchen, breakfast room, utility space, w/c and double garage with every room, bar the garage, offering the most spectacular panoramic views across South Lancing and beyond, one might even say it gives the feeling of being the King of the land.

Set within approximately 0.5 acres of land this house feels like a private part of the countryside which is secluded by the mature trees of the boundary, offering an array of wildlife and a peace and tranquil haven to call your own. Part of the garden is named the wildlife garden by the current owner and it certainly is that with birdsong all around.

Internally the property would benefit from modernisation throughout and could be extended or altered to suit modern family life but is offered in an entirely liveable condition.

The local area offers well regarded local schools for all ages including well renowned Lancing College Boarding & Day School, Sir Robert Woodard Secondary School & North Lancing Primary School. Local amenities are served by both local shops in North Lancing or Lancing Village Centre which can be found just over a mile away, also benefiting from a mainline train station with links to Brighton in 20 minutes or London Victoria in just over an hour.
