Extra Care

There are staff on site who can help you to maintain your independence in a flexible manner, providing the support you need, when you need it. There is also a range of interesting and useful social, health and wellbeing activities held in the scheme that you can take part in if you wish to, such as organised activities to celebrate birthdays or other events, friends gathering for lunch, a craft event, a book club, quizzes and film or TV viewings, or the chiropodist or optician visiting the scheme (dependent on demand).

You decide how much you join in with activities and you are part of the social life of the scheme in a way that suits you. As well as living on a fabulous complex, you and your neighbours and the staff will be part of the community on site and the wider communities of Sowerby and Thirsk. Your family, friends and people from the local community, are free to come and go as they please and so the main communal areas are open during the day for anyone wishing to visit the café/bistro or take part in the social life of the scheme. The residents' areas are protected and accessible only to residents, their visitors and staff, keeping those spaces safe and secure.
