## **The Property**

Upon entering, the spacious reception hall provides access to the formal sitting room, living room, and breakfast kitchen, with a staircase leading to the first-floor landing.

To the rear of the property, the formal sitting room features a living flame gas fire with a chrome inset and stone surround as its focal point. Double doors open to the gardens, offering a delightful view. At the front, the living room serves as a functional reception space, which could also be adapted into a large bedroom for those looking to future-proof the property.

Adjacent to the reception hall, the breakfast kitchen offers ample storage and functionality, with a contemporary range of fitted base and wall units complemented by natural stone countertops. The property benefits from a thoughtfully extended day room, which functions as both a lounge and dining area. This room features an electronically controlled Velux window, an additional front window, and double doors leading to the garden, ensuring an abundance of natural light.

Accessed from the kitchen, the boot room includes coordinating base units, stone countertops, a sink, and plumbing for utilities. A door from here leads to the cloakroom and the adaptable rear room. Currently used as a utility room, this space could easily be transformed into a garden room if desired.

The first floor accommodates four generously proportioned bedrooms, three of which have fitted wardrobes. The primary bedroom benefits from a contemporary en-suite shower room. Completing the accommodation is a modern family bathroom, fitted with a white suite comprising a panelled bath with shower, WC, and wash hand basin, finished with tiled surrounds.

Externally, the gardens are well-maintained and thoughtfully stocked. Buyers may wish to enhance the outdoor space with the addition of a patio seating area adjacent to the day room. The gardens are bordered by secure fencing, offering privacy.

To the front of the property, wrought iron gates with remote control access lead to a sweeping driveway shared between two homes. A large, block-paved area provides ample parking, clearly defined between the two properties, and Chapter House benefits from its own garage access.

Properties in this exclusive area rarely come to market. We encourage interested parties in a position to proceed to contact the office promptly to arrange a viewing.
