A beautifully presented stone cottage located in the sought-after village of Borrowby, offering a well-balanced layout of both living and bedroom accommodation. The property features high-quality contemporary fixtures and fittings throughout, with the added benefit of two private garden areas and a versatile outbuilding.

Early viewings are strongly recommended to fully appreciate the quality and setting of this home.

**The Property**

With a surprisingly spacious reception hall, the majority of the ground floor accommodation is accessed from this central point. Doors lead off to the sitting room, kitchen, and the staircase rising to the first floor.

The sitting room is of generous proportions and positioned to the front elevation of the home. It features a decorative stone fireplace from a former open fire—something many buyers may wish to reinstate.

Beyond the dining room is a further reception room, ideally suited as a formal dining area or a secondary lounge. This versatile space provides access to both the kitchen and conservatory.

The kitchen is beautifully appointed with a sleek, modern design, incorporating a range of integrated appliances and complemented by stone worktops. There may be potential to open the kitchen into the adjoining reception room to create a spacious open-plan dining kitchen, subject to relevant checks.

Completing the ground floor is the conservatory, which enjoys views across the patio and offers a pleasant outlook toward the larger lawned garden.

To the first floor are three well-proportioned bedrooms, two of which feature fitted wardrobes. The contemporary bathroom comprises a large step-in corner shower cubicle, WC, and wash hand basin set within a stylish vanity unit offering useful storage. The room is finished with tiled surrounds for a smart, modern look.

Externally, as is typical of many properties in this area, there is a shared footpath providing access between neighbouring homes. This property benefits from a private patio seating area. Beyond this are several shared steps that lead to a communal gravel path, which passes by the neighbouring garden and opens into a substantial and private rear garden.

Primarily laid to lawn and framed with mature flowering borders, the garden also includes a covered seating area—ideal for entertaining or enjoying shelter from the sun.

Additionally, there is a small outbuilding, formerly a single stable, which offers useful storage.
