A luxury ground floor riverside apartment built by David Wilson Homes immediately adjacent to the River Arun on Littlehampton's delightful quayside, which runs from the beach and river entrance up to and just beyond the Look and Sea Centre and slipway. The apartment has stunning views up and down the river and across to the Yacht Club and Littlehampton links golf course.

In brief the accommodation comprises:- spacious entrance hall with built in cupboards, lounge/dining room with double opening doors to the ground floor balcony and quayside, modern fitted kitchen, main bedroom with en suite shower room/WC, second bedroom and additional bathroom/WC.

Outside there is a private gated area with allocated parking space and a private balcony that overlooks the river.

In our opinion the apartment would suit either a permanent residency or second/holiday home.
