Stood handsomely off the passing lane, Plot One is a charming cottage-style, three bedroom semi-detached home; your perfect place to retreat and enjoy an enviable rural-coastal setting.

A sociable open-plan layout beckons and creates an informal setting to relax and enjoy the company of others.

Upstairs and the principal bedroom is complemented by an en-suite, whilst the family bathroom is shared by the two further double bedrooms, a great stay for eager visiting guests.

The front of this home is framed by a pathway and you are welcomed with off-road parking, which includes a covered timber cart lodge with built-in garden storage. To the rear a mix of woven and timber fencing surrounds the lawned south-facing garden.

Ringstead

A QUINTESSENTIAL RURAL-COASTAL
NORFOLK VILLAGE

Quietly tucked away on the beautiful fringes of the idyllic North Norfolk heritage coastline, amidst a patchwork of rolling farmland fields, rests the quintessential village of Ringstead. Designated an Area of Outstanding Natural Beauty, and arguably one of North Norfolk's best kept secrets, this charming rural spot envelopes one with a sense of timeless serenity of a bygone era.

Steeped in history, the village is rich with listed buildings, including the renowned village inn which has reputedly been serving farmers, traders, fishermen and smugglers since 1668. Now however The Gin Trap Inn and the General Store are at the heart of village life, serving locals as well as passing ramblers enjoying their Peddars Way exploration of the stunning coastline.

At the top end of the village, as the road north forks one way toward the beautiful coastal villages of Thornham and Holme-next-the-Sea, or the other way toward the appeal and amenities of the Victorian seaside destination of Old and new Hunstanton, the fields gently fall away to expose vantage views of the nearby North Sea on the horizon.

To the southern outskirts of the village the Ringstead Downs, one of the largest remaining areas of chalk grassland in the county - with its steep-sided valley, supports a diverse range of plant and animal species, known to include around twenty species of butterfly.
