A RARE OPPORTUNITY to acquire what has been a much loved family home for many decades in a delightful, quiet area of the village.

The property offers a versatile range of accommodation which includes three reception rooms along with four double bedrooms on the first floor. There are two bathrooms and, given the size of the plot, scope to extend further, if required.

There is a gated access from the front which leads to an area of hard-standing suitable for parking and also a single garage. The garage itself was formerly larger and has been divided to form an additional feature of an external office, or indeed workshop.

The crowning glory of the whole property is perhaps the rear garden which is extensive and has been lovingly maintained and enjoyed for many many years.

NORTH FRODINGHAM

The B1249 passes through the village with its main street lined with houses, cottages and public house. The village cross is located at the junction of the road to Brandesburton and outside the attractive village school is the war memorial. Just outside North Frodingham is the Church of St Elgin which, though restored in the 19th Century, has its original Norman font.
