41 Victoria Road, Driffield, YO25 6TY

A rare find indeed! This is a superbly appointed Victorian end of terrace home, which has been comprehensively refurbished to an extremely high standard, retaining many original features combined with modern fixtures and fittings.

The accommodation includes a delightful front facing bay fronted lounge which features an open fireplace. The main hub of the living space is, however, located to the rear where there is a delightful day room which is open plan to a fully fitted kitchen complete with utility area.

A particular feature of this property is the off-street parking which is generous and would suit multiple vehicles. In addition, there is also a detached single garage.

There are two generously proportioned bedrooms on the first floor, along with house bathroom with a third bedroom located on the second floor within the attic. There is huge potential to create an en-suite in the space, if desired.

To the rear of the property is an enclosed area of landscaped gardens, which has been thoughtfully planned by the seller to include a multitude of shrubs and trees, which, in time will produce an outstanding outside space.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
