Gas Central Heating

27 Kings Mill Road , Driffield, YO25 6TT

An established detached home which is located quite simply within one of the towns premium residential areas, within convenient proximity of the town centre. The setting and styling of this property cannot be underestimated, standing in a delightful setting on the corner of St John's Road and Newland Avenue within established gardens. This property combines a tranquil setting and enjoys views over Driffield Bowling Green from the first floor, at the front.

The accommodation on offer is generously proportioned and features substantial, individual rooms all of which are well maintained and are likely to have huge appeal to a wealth of differing types of buyer from families, through to those simply wanting a quality home in such a premium and desirable location.

The first floor includes three double bedrooms plus, additional study, which could be used as a small fourth bedroom, if required.

There is off-street parking, suitable for multiple vehicles. Part of the garage has been converted to provide a useful utility room. There is also a huge scope to extend the property, if required, without really compromising its location or indeed the garden size.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
