3 Redwood Gardens, Driffield, YO25 6XA

Built during the late 1990s, this is a relatively modern detached house located within an extremely attractive exclusive cul-de-sac formed by only a handful of dwellings within quiet 'leafy' surroundings. In addition to this, the property has the distinct advantage of being extremely convenient for access into the town centre, by foot, which is within a relatively short level walking distance.

The accommodation on offer includes spacious lounge which could easily accommodate a dining table, dayroom and kitchen, which again is versatile enough to become a dining kitchen, separate utility and cloakroom/WC plus 4 bedrooms (one en-suite) and bathroom on the first floor.

Externally, there is off street parking with a side drive that leads to a double garage with twin doors.

To the rear of the property is a private expanse of garden that is landscaped and also features a range of planted borders.

In summary, this is a property, the type of which is seldom available and certainly, rare in this location.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
