  Gas Central Heating

20 Kings Mill Park, Driffield, YO25 6UZ

Kings Mill Park was constructed during the late 1980s, early 1990s, by a local development company and since this time the cul-de-sac has gained prominence in the local area by virtue of its layout, attractively presented bungalows and close proximity of the town centre, which is within level walking distance. The cul-de-sac also offers a quiet setting with no through traffic.

The design of the bungalow has proved exceptionally popular by virtue of its versatile layout which can include up to three bedrooms to supplement the spacious lounge and breakfast kitchen with one or more of the bedrooms often being taken as a separate reception room in its own right.

Number 20 is an excellent example of the style of bungalow and has been enhanced further by the provision of an en-suite to the master bedroom.

The whole of the property is presented to an EXCELLENT STANDARD and this extends to the rear where there is an open plan gravelled front garden and enclosed area of garden to the rear.

There is off-street parking by way of a drive and this leads to a single garage.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
