21 Oaklands, Hutton Cranswick, YO25 9RN

21 Oaklands, Hutton Cranswick is a substantial family orientated home set within an attractive cul-de-sac development of properties of varying styles. Indeed, the cul-de-sac is characterised by its 'relaxed' feel with the house itself being situated on a good-sized plot with plenty of parking to the front, a single garage and established garden to the rear beyond which there is an open aspect.

The accommodation on offer includes main lounge which features a media wall with integrated electric fire, open plan dining kitchen along with separate utility space and conservatory. There are four bedrooms on the first floor with the master bedroom offering an ensuite plus, house bathroom.

In general, there are very few properties of this type in the village of Hutton Cranswick and as such, it is fully advisable to make arrangements to view early to avoid disappointment.

CRANSWICK

The focal point of this delightful village is the large expanse of beautifully maintained village green, where in addition to the pond with its seating area, is a War Memorial. The green extends to 6.5 acres and is believed to be the largest in East Yorkshire. The Norman Church of St. Peter is situated in its sister village, Hutton.
