Make no mistake, this really is a rare type of property for the area and the accommodation itself is far removed from its modern counterpart. There really are very few other homes like this.

The cottage is centrally situated within the village, convenient for the village amenities and also local bus service to the outlying areas.

The accommodation includes combined lounge with dining area and fitted kitchen on the first floor with three bedrooms plus feature characterful bathroom on the first floor along with a large spacious landing.

Externally, again the cottage excels with a cottage style garden to the rear, this being attractively planted and also including a patio, summerhouse and brick built outbuilding.

Given the style of this property, it's desirable location, character features an attractive garden, this really is a rare opportunity to acquire an enviable home which is unlikely to disappoint once arrangements are made to view.
