Testimonials

Ullyotts dealt with the sale of our property with consideration and professionalism. As we don't live nearby, they arranged and attended all viewings. They were there to help with anything and everything we needed. Nothing was too much trouble.

Caring estate agents and extremely professional. Rates are extremely competitive and they listen to owners when conducting valuations. Ullyotts are now our No 1 go to estate agents and should be proud of their professionalism and their courteous manner. Thank you.

A very pro-active team, always very helpful and professional no matter when or who answers a call. The experience of selling a property from start to finish was made much easier by the staff and their cheerfulness. Would definitely recommend this business.

The team at Ullyotts were great to deal with during our recent house purchase. A very professional team.

From the day I first discussed the sale to 'completion', I was extremely satisfied with the progress of the sale.

A highly professional, friendly and, where needed, tenacious service delivered. Completion of sale of former home was protracted but would have been much longer without the support of the team at Ullyotts. Great Job!
