5 Cliff Lane, Bempton, YO15 1HA

A quirky chalk built cottage situated on Cliff Lane in Bempton offered with four bedrooms, three bathrooms and good sized living accommodation. The property is currently used a holiday let and is offered with No Onward Chain.

The village is an established community with its own community hall, public house, village store, primary school and local buses. There is a British Rail link, finding commuting to Scarborough, Bridlington and York handy for this area. The village offers a cross section of community life for families and retired people.

Bempton village is close to the famous Bempton Cliffs, on the spectacular Yorkshire Coast and is home to a wildlife spectacle when half a million seabirds gather between March and August to raise a family. Puffins, Gannets, Kittiwakes and Guillemots live life on the edge. There are more Gannets acrobatically diving in to the deep here than anywhere else on mainland England. Corn Buntings, Skylarks and Linnets breed in the

grassland and scrub where land meets the sea, while Kestrel and Barn Owls hunt under wide open skies, often joined in winter by Short-eared Owls.
