Location: Belle Isle Terrace is a short row of substantial early 19th Century properties, which offer period size and style with the convenience of a town centre location. No.2 was divided into apartments many years ago and the flat offers spacious rooms which are light and airy with partial bay views from the front and which are but moments away from the shops, banks, cafes, promenade, ornamental gardens and railway station. To reach the property upon entering Grange, go past the ornamental gardens on your left hand side. After a further 100 yards or so Belle Isle Terrace is the row of properties set up on the right hand side, close to the Victoria Hall, with several town centre shops just a short walk.
