Description Converted in 2000, 4 The Barns is the most charming and quirky of properties - with thick imperfect exposed stone walls, deep set windows and exposed beams arranged over many levels and with lots of nooks and crannies! If completely unique with charm and character and superb open views are your thing then look no further - this will not disappoint.

Currently utilised as a holiday let and second home this property is a good investment, super second home or excellent family home - in fact a child's dream with many hiding places!

The layout is unusual with approximately 5 or so steps between many levels but it works well making the most of the views, room sizes and privacy with the bedrooms being separate in fact the Master Bedroom has a floor of its own.

The wood effect uPVC side entrance door opens to the Hall/Landing. A large, deep set window looks out at lane level, there is an exposed stone wall, door to the WC/Cloakroom and a few steps up and down. Down takes you to the sizeable Dining Kitchen - a lovely space with lots of exposed stone, lovely cream oil AGA and large window with impressive, extensive countryside outlook. The Kitchen is fitted with a range of cream wall and base cabinets with wood effect work-surface with inset stainless steel sink unit (with a view - making the washing up enjoyable!), electric oven, ceramic hob and integrated fridge, freezer and dishwasher. A door leads to the Rear Porch with access to the Garden and Terrace and steps up to the integral Garage which houses the oil boiler.

From the Entrance Hall steps lead up to the wonderful Lounge. This spacious room is impressive with similar super open country views, exposed stone walls, part pitched ceiling with 'Velux' and cosy wood burning stove. From here steps lead up to Bedrooms 2 and 3 and Bathroom. Both Bedrooms are charming with exposed stone walls, beams and 'Velux' roof windows. The Bathroom has an array of impressive beams and comprises WC, wash hand basin and bath with shower over. On this small landing there is a deep set window and wall 'ladder' which leads up to the Mezzanine storage area. This area has an arrow slit window, 'Velux' roof window, wood effect laminate flooring and reduced head height.

From the Lounge further steps lead up to the Shower Room with WC, wash hand basin and shower enclosure then a door and a few more steps up into the Master Bedroom. A super room, spacious and bright with further exposed stone work and beams. Recessed wardrobe and 'Velux' roof light.

The Garage is a double with power, light, window and folding wooden doors ideal for storage of bikes, camping equipment etc.

The Garden and Terrace are to the front to enjoy those county views. The terrace is spacious and paved with painted wrought iron balustrading and makes a lovely inviting spot for outdoor dining or morning coffee. Steps lead down to the bijou level lawn.

Location This charming property is tucked away in a little cluster of properties and makes the most of the lovely views to the front.

Just a mile or so from the base of Lake Windermere with the attractions of the Lake District practically on the door step, the quaint market towns of Ulverston and Grange over Sands with rail,
