The main door leads directly into the Dining Kitchen - very well proportioned and sunny with gleaming ceramic tiled floor, triple aspect, 'Velux', exposed beam and obligatory, racing green AGA ! Furnished with an extensive range of white wall and base cabinets with luxurious black granite work surface with inset stainless steel sink unit and integrated fridge and dishwasher. Fitted table for 2-3 people. The Inner Hall has stairs leading to the First Floor and attractive, quality, Oak flooring which runs throughout the Ground Floor. The Dining Room has a dual aspect with exposed beam, cottage plaster walls, cosy multi-fuel stove and quirky 'nook' - popular with the children! A Study/Home Office is almost essential these days and there is ample space for a desk and shelving. The useful Utility Room is located off the Study. The Lounge is a magnificent room! Of incredible dimensions and very sunny with two sets of French doors to the rear. The main feature is the wonderful, stone inglenook fire place with multi-fuel stove inset. A superb family room which is large but cosy?!

The stairs lead to the First Floor where 3 well proportioned double Bedrooms can be found. Bedroom 1 is very spacious indeed and flooded with natural light and has a pleasant rear aspect with 2 further 'Velux' windows. An extensive range of fitted bedroom furniture with 'secret' doors leading to the very useful eaves storage - with limited head height, this is partially used as a walk in wardrobe. Of course, this luxurious Bedroom does have its own En-suite Shower Room too! Bedroom 2 has a recessed wardrobe and both 2 and 3 enjoy lovely views to the rear aspect. The Bathroom is spacious and tiled with a 4 piece white suite comprising WC, wash hand basin, bath and shower.

Outside is a useful stone Store and open Coal House. The Double Garage has twin roller doors, power and light. The Garage also incorporates a room behind which has most recently been used as a Gym - ideal for this or maybe a Workshop, Studio, larger Office etc - there is also a Loo! The gated, gravelled driveway provides parking for several vehicles.

Garden - where to start! Ok, to the side is a smaller, private and intimate Garden which is also home to the oil tank. Enclosed by a wall and mature hedge. The main Garden is just beyond the Garage and is essential a large, level area of well maintained lawn! A Garden to tire even the most active of children! Also lovely for entertaining with the small putting green and open wooden Summer House! As if this is not enough you do actually have yourself your own small 'Tarn'. This is super, fenced to save the resident carp from the local otters but what an incredible bonus! Beyond the Lake the vendors have consciously left much of this area to nature. It is now a haven for birds, insects and wildlife including deer's and badgers. The 'Garden' continues, over a small hump right the way up to the river bank - very special.

Location Kirksanton is a well kept secret. A delightful small coastal village just outside the Lake District National Park yet within easy reach of the quieter yet beautiful Western Lakes. There is a friendly village community, some spectacular local scenery, beach and stunning walks within a hop skip and a jump,

popular local Public House, beautiful Black Coombe just on the outskirts and is convenient for those commuting to work to BNFL of Barrow Ship Yard.

The nearest town of Millom is approximately 10 minutes by car and the attractions of the inner Lake District are handy too! Golf is available locally at Seascale and Silecroft. Ravenglass, home of the narrow gauge railway fondly known as 'La'al Ratty' is just 8 miles away and provides fun for all ages along the 7-mile stretch of railway line passing through stunning scenery. Elm Close is lucky enough to have many delightful walks literally from the door step - in fact it is only a 10 minute stroll to the beach!

To reach the property from Greenodd, follow the road in the direction of Broughton in Furness for approx 12 miles, going through Foxfield and dropping down the hill to Duddon Bridge. At the lights continue over the bridge and follow the road, keeping right at the church. Follow the road for some distance until you reach the 'T' Junction and turn left. Cross over the railway line and bear right at the 'King William IV'. Elm Close is shortly on the left hand side.
