£575,000

2 Eden Mount Close, Grange-over-Sands, Cumbria, LA11 6FL

This excellent chain free modern property was built in a pleasant leafy corner of Grange over Sands in 2008. One of two built on this sunny site, it is bordered by charming woodland and enjoys a good level of privacy. Although this lovely property is 17 years old it still retains that 'as new' feel being beautifully presented with neutral tones and well equipped throughout.

There are so many superb parts to this property, the condition, location, generous room sizes, glimpses of Morecambe Bay etc but one of the finest has to be the stunning and unique Garden. The Garden absolutely provides the wow factor. Built in a former quarry the Garden features some of the most impressive limestone pavement of the area - it has to be seen to be appreciated.

This wonderful home will appeal broadly and certainly will not disappoint upon a viewing.

The beautiful Gardens with this property are not only a credit to the owners hard work, vision and dedication but also, due to the location being a former quarry, completely unique. There is a spacious, sunny, paved Patio with charming timber Summer House and well tended central level lawn. Towards the rear of the Garden are some charming inter-twined gravel pathways with some very attractive mature trees and pretty, colourful, rockery style plants and shrubs which provide a profusion of colour throughout the year and further areas of exposed limestone and charming inter-twined narrow gravelled pathways. Limestone steps lead to the 'look out point/sitting area' which is in an idyllic quiet setting for that mid afternoon 'G & T' which provides a lovely aspect over the Garden. Gated, paved pathways to both sides lead around to the Front Garden which has a small area of lawn and deep planted flower beds showcasing some beautiful, well established plants and shrubs. Across the driveway is an additional small piece of hedged Garden adjacent to the access lane to the adjoining woodland. The Attached Single Garage has a metal up and over door, power and light.
