## Coach House

£690,000

Coach House  
Windermere Road  
Grange-over-Sands  
Cumbria  
LA11 6EX

Wow! If nature, peace, woodland, birdsong and privacy are your thing alongside a substantial property with fascinating original features, excellent presentation, surprisingly convenient location and extensive, undeveloped basement makes you excited then without doubt this is the opportunity for you!

Dating back to at least 1856 this wonderful home displays some very impressive original features such as exposed beams, deep set windows, cobblestones and some incredible doors all complimented by tasteful décor and quality fixtures and fittings.

The additional bonus is the flexibility of the current layout with an exciting opportunity to create either further living space or extensive workshops in the basement. Garden, extensive parking and approximately 1 acre of woodland complete this very impressive, pretty picture.

Winding your way up the private, tree lined driveway and catching your first glimpse of The Coach House you cannot fail to be wowed. The first sight is stunning, reminiscent of a French Mountain retreat with the private woodland location, fabulous painted red door shutters, ancient stone building and subtle cornflower blue woodwork here and there - a superb start and first impression that only gets better and better the more you explore!

Lounge

To the side is the main Entrance Porch - A Sun Porch with space to sit and enjoy the weather whatever it may be. A stable door to the left leads in to the Study/Bedroom 4. The room would make a super Study or 4th Bedroom should it be required. Door to the Utility Room and Ground Floor Cloak/Shower Room, this room is perfect for a dependent relative perhaps with some limited mobility - super! The Entrance Hall is warm and welcoming with the most incredible, original studded door with impressive iron work - a real unique feature. The stairs lead to the First Floor and there is an area of painted, original, ornate wooden wall panelling. The internal door leads into the Dining Kitchen, the heart of every home, this one just happens to be fabulous. Twin windows with woodland aspect (one with window seat) and attractive, stone tiled floor. The cabinets are 'warm white' with complementary grey subway tiling and inset farmhouse style white deep sink. Built in 'NEFF' electric oven, integrated dishwasher, space for fridge freezer and lovely, sky blue oil fired AGA. There is also a large central island with 'Silestone' type work surface with breakfast bar and 'NEFF' induction hob. A door leads down to the Basement and further door into the Utility Room. The Utility Room has a continuation of the stone tiled floor, boiler cupboard housing the oil boiler, door to the Study/Bedroom 4 and space and plumbing for washing machine and tumble drier. The Cloakroom (currently with provision for shower - just not installed) has a modern WC and wash hand basin and attractive, stone effect tiles. From the Kitchen glazed pocket doors lead into the Lounge. A superb room of exceptionally generous proportions. Triple aspect with deep set windows either side and double, patio doors to the front. This room manages to be spacious and cosy all at the same time with exposed beams and lovely corner wood burning stove.

From the Hallway a short flight of stairs lead to the Half Landing split right and left. Very light with high level 'Velux' window and wonderful range of exposed beams. To the right is Bedroom 1, Bedroom 3 and the versatile Bedroom 5/Bathroom. The beams from this angle are even more impressive. They sit harmoniously with the steel 'beam support' installed to remove an inconvenient hip height beam!

Bedroom 1 is a full depth room with exposed beams, wood effect laminate flooring and 2 'Velux' roof windows. Bedroom 3 is a spacious Double Bedroom with exposed beams and large 'Velux' window. On this side there is an undeveloped room earmarked as a Bathroom and as such full plumbing is 'in situ'. Of course, alternatives such as Bedroom, Nursery, Dressing Room are possible if more suited to your needs. To the left of the Half Landing is Bedroom 2, another roomy, very sunny Double Bedroom with lovely exposed beams, 'Velux' roof window and further low level window. The Bathroom is spacious with 'Velux' roof window and 4 piece, Victorian style suite comprising WC, roll top claw foot bath,

shower enclosure and wash hand basin on antique pine cabinet. Painted wall panelling and complementary tiling.

The Basement! Where to start. Currently undeveloped but with some plumbing in place. The stairs lead down from the Kitchen to the Main Room which has charming original flagged floor and two original stalls. This spacious room has an external door and uPVC window, door to the second room - a spacious room with original double doors. A third, smaller room can be found to the rear of the Main Room (possibly the stable boys quarter's) with fireplace and high level window. The possibilities are endless. Incorporate into the main home?

Man Cave? Cinema Room? Gym? Separate accommodation for guests or maybe even completely separate???? (subject to the relevant consents).

The Garden consists of a spacious and sunny gravelled area with deep rockery style border - fully enclosed and secure for pets and young children. Within the Garden is a storage Shed/Garage (perhaps now in needs of a little attention). In addition there is approximately 1 acre of private woodland - fabulous for dog owners or adventurous children. Ample Parking.
