Eat, Cook and Socialise

We have worked with luxury kitchen supplier, MOORES, to create wonderful kitchen solutions for each home from their Definitive Vista range.

The flawless silhouette is the outstanding feature of the kitchen range. With unbroken lines, these handleless kitchens are minimal and stylish. The carefully considered colour palette complements the matt finish, adding a subtle warmth to your kitchen.

The kitchens include beautiful products and attention to detail. What's more, everything is expertly constructed in the UK, with British craftsmanship producing a kitchen you can count on.

With an extensive range of colours available for buyers to select from, it's never been simpler to create the perfect look for your home.

Sustainable Luxury Bathrooms

Each home benefits from luxurious bathroom and en-suites collection by PORCELANOSA.

The PORCELANOSA collection is defined by its clean, subtle, and timeless design. This gives bathrooms an intimate and timeless air that does not change with the passage of time or wear.

Sustainability and water efficiency define the product range. In addition, Waste-Water Heat Recovery systems are being installed in each bathroom, to further enhance the energy efficiency of each home.

The bathroom collections are complemented by the use of ceramic tiles to the floors and some walls. Thanks to their functionality and intricate design, the ceramic tiles achieve excellent results as a surface in terms of aesthetics and functionality.
