### DEVONPORT

Devonport, formerly named Plymouth Dock or just Dock, is a district of Plymouth in the English county of Devon. Sandwiched between, Devonport Park to the East, and the River Tamar to the West. It was, at one time, the more important settlement. It became a county borough in 1889. Devonport was originally one of the "Three Towns" (along with Plymouth and East Stonehouse); these merged in 1914 to form what would become in 1928 the City of Plymouth. It is represented in the Parliament of the United Kingdom as part of the Plymouth Sutton and Devonport constituency.
