A modern and stylish two-bedroom split level apartment over 1100 sq ft with a southwest facing balcony! Being offered chain free!

On the first floor you will find a good-sized reception room with plenty of space for relaxing, entertaining guests and for a dining table and chairs. Floor to ceiling windows allow plenty of natural light and you have direct access to the private balcony area, the perfect spot to enjoy your morning coffee or a glass of wine in the evening. The separate modern and smart fitted kitchen has sleek white handleless wall and base units and complementary white worktops and built in appliances. You'll also find a guest WC and laundry/storage room for added convenience. The first floor is finished with wood effect flooring and a mix of neutral décor and feature walls.

On the second floor you will find two generously sized bedrooms with en-suite bathrooms, fitted wardrobes and both have plenty of space for a king size bed and for additional furniture. The large windows create a bright space and both have carpeting. The master bedroom has a smart and stylish bathroom with three-piece suite, complete with an overhead shower, a WC and a sink with storage underneath. It has large wall and floor tiling, a wall hung mirror and heated towel rail. The other bedroom has modern shower room, with a rain showerhead, a WC and a sink with storage underneath. It has sleek grey tiling, a wall hung mirror and a heated towel rail.

The property further benefits from triple glazing throughout and its own front door leading to a large entrance space, where there is space for bike storage.

Being in the centre of Camberwell, there are plenty of shops for essential needs, food spots, bars and lounging coffee shops mixed in with the vibrant green space. There are many bus stops in the immediate vicinity offering convenient transport links all over London. Denmark Hill station is 0.8 miles walk away and has an Overground service with services to London Victoria, Clapham Junction and Dalston Junction. We are spoilt for choice in Camberwell for green spaces with several large parks including Burgess Park (0.2 miles away), which has designated cycle routes, a gorgeous lake and tennis courts.

Sellers comments - We were drawn to this home because it truly feels like a house, with its own front door, separate kitchen, and the unique layout spread across two floors. Whilst the original show home the Wing development, it feels unique compared to your typical 2-bed flat. Over the past six years, we've loved having distinct spaces for relaxing, entertaining, and working from home, all while enjoying everything Camberwell has to offer. Now, as we move out to the countryside, we hope the next owners will appreciate this home as much as we have.
