'Pinetops' is situated on a secluded plot at the end of a private road within the heart of Lower Parkstone/Lilliput Borders. This is a unique family home that has undergone complete renovation in recent years by the current owners and has been finished to an extremely high specification throughout.

The property is arranged over two floors and extends to over 3,800 sq ft of accommodation. An impressive double height galleried reception hall welcomes you into the home and leads to all ground floor rooms, including the principle bedroom with a beautiful free standing bath, its own ensuite shower room, dressing room with fitted wardrobes and double doors leading out onto a private patio. An open-plan office space, utility room, W/C and storage cupboard complete the ground floor accommodation.

Heading up to the first floor, you are greeted by a spacious landing area which fills the whole property with natural light and seamlessly flows through into a wonderful open plan kitchen/dining/family room, a particular feature of the home and designed with modern family living in mind. Although open plan the space has been well defined and zoned to include a modern kitchen with a large island and a full range of fitted appliances, dining area and living space. This room also provides access to the rear gardens. Further accommodation to the first floor includes three double bedrooms, three bathrooms and a media lounge.

In addition to the main house there is a completely self-contained annexe with a large living room, semi open plan kitchen/dining room separate bedroom, ensuite bathroom and ample storage. The annexe also benefits from its own private west facing garden, making this a perfect property for 'home and income'. *For further photos of annexe please see website*

Externally, the property sits on a wonderful private plot approaching 0.5 acres of established and landscaped grounds. Gates onto a long gravel and block paved drive lead you to the house, offering ample offroad parking and access to a large double garage with electric up and over door. The front garden is mainly laid to lawn with a feature raised deck and 'treehouse', there is also a further gated hard standing area accessed from the drive that provides an additional secure space for a boat or motor home. The sunny, south and west facing rear gardens which surround the main living room make for an excellent space for entertaining and al-fresco dining complete with an outside kitchen/bar area, external bathroom and level lawn.

This "One Off" family home must be viewed to be fully appreciated.
