Set on a private plot behind electric gates, Chine House enjoys a prime location, directly adjacent to Branksome Park Woods. This serene woodland setting offers a delightful half-mile walk that leads directly through Branksome Chine on to one of the areas finest beaches, blending nature with convenience.

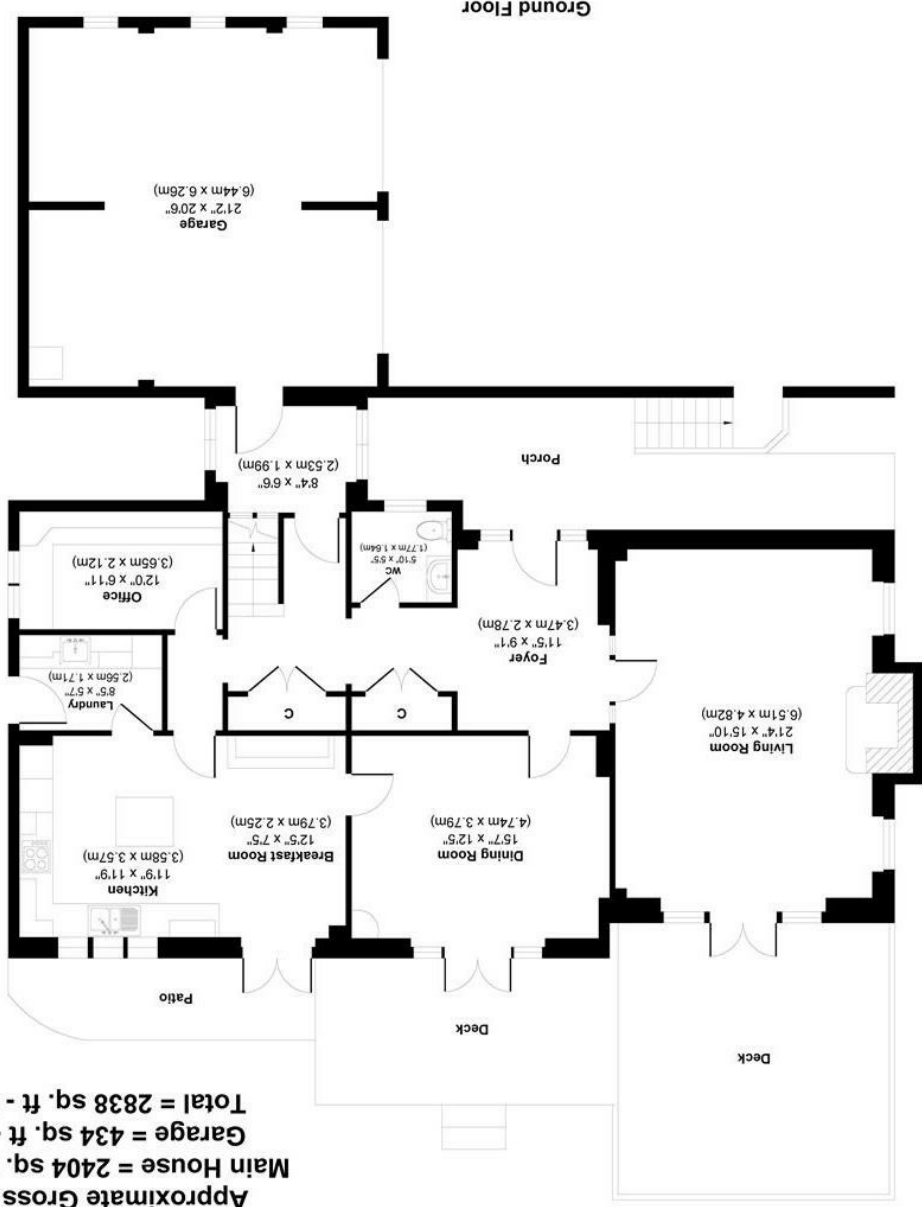

This attractive family home is deceptively spacious, with over 2,800 square feet of thoughtfully designed accommodation, to include four well-proportioned double bedrooms, three bathrooms two of which are ensuite, three reception areas, including a combined kitchen and dining room, as well as a study.

The exterior of the property is equally impressive, with a large driveway allowing for ample off road parking, secured by remote-controlled gates and giving access to the large double garage that stretches 6 metres. The west-facing walled rear garden is a particular feature of this home with a large decked terrace perfect for entertaining and generous lawns set against a sylvan backdrop

Built by one of the region's most reputable developers, the home stands out with its distinctive split-level design and half landings, giving it a unique character. While the property is in good decorative order, it also presents an excellent opportunity for those interested in modernising or re-developing (subject to the relevant planning consent).

All of this is available at a competitive price point, making Chine House an appealing choice in this desirable location where neighbouring property values far exceed the figure being asked.
