Sandbanks

The property is situated nearby to the famous Sandbanks Peninsula located at the entrance to Poole Harbour, regarded as the second largest natural harbour in the world. Sandbanks is internationally renowned for its water sports and boating and in addition there are excellent walking, cycling and horse riding along the Jurassic coast, England's first National World Heritage site, which provides some of the most dramatic scenery. This can be accessed by the Sandbanks car ferry linking Poole to the popular 'blue flag' beaches at Shell Bay, Studland, Swanage and the Isle of Purbeck. For those less inclined to take to the sea, the County of Dorset offers some of the UK's most beautiful countryside, with a vast array of lifestyle opportunities from the wilds of the New Forest, to manicured championship golf courses.

Transport communications are excellent as the main line railway station at Poole provides services to Southampton and London, being approximately 1 hour and 45 minutes. The start of the Wessex Way, (A338) is located approximately 2 miles away and offers access to the M27 motorway with London 1 hour 30 minutes commute. Bournemouth and Southampton International Airports are also nearby and there is a ferry terminus at Poole Harbour with services to the Channel Islands and mainland Europe.
