## Accommodation

The front door opens to a welcoming hall with a wide staircase rising to the upper floors; an inlaid LED strip to guide your passage. Wood effect floor tiling stretches inwards to the lounge and the kitchen diner/family room, enhancing the perception and flow of space. In the lounge you'll see a TV recess with provision to connect an LED mood strip. Behind the closed doors you'll discover an understairs cupboard, two-piece cloakroom and a utility room with boiler and hot water cylinder and space for a washing machine and dryer. Family-centric to its core, the open plan kitchen diner/family room offers an amazing living space, light flooding in through a lantern roof window and full width sliding glass doors. The sleek and stylish handleless cabinetry creates clean lines that are easy on the eye. Totally on trend they are complemented by Silestone counters and upstands with an under-counter sink and mixer tap and set into the island dining bar is a NikolaTesla induction hob with downdraught extractor filter. The quality Neff cooking appliances consist of a fan assisted oven and a combination microwave oven. The fridge and freezer are integrated. Concealed pelmet LED strip lighting offers a subtle alternative to the ceiling spotlights and when the weather allows the patio offers a tempting alfresco option.

The first floor landing is made light from a wide Velux window and there is a useful high level storage compartment. There are two double bedrooms on this level. The rear facing room has a three-piece en-suite shower room, the other is conveniently located next to the three-piece house bathroom.

The sumptuous second floor master bedroom has a feature full length window, a part vaulted ceiling and a walk-in closet. The luxurious three-piece en-suite has the same high quality Collins White tiling as found throughout the property.

## Outside

Approached over a tarmac access road with a private entrance for the exclusive use of the four properties; there are two designated car parking spaces at the front. The rear garden is south easterly facing catching the passing sunshine nicely. Neatly contained within six foot high timber fencing, the substantial tiled patio provides plenty of space for a family with steps leading to an upper terrace.
