Gilson Bailey are delighted to offer this beautifully transformed home, where impeccable design and modern living combine to stunning effect. From the moment you enter, the sense of space and quality is undeniable. The heart of the home is a show-stopping open-plan kitchen and dining area, designed for both entertaining and everyday comfort. A striking central island with breakfast bar takes centre stage, surrounded by a stylish array of contrasting units, premium worktops, and open shelving. Integrated appliances include a gas hob, eye-level electric and multi-function ovens, a built-in fridge freezer, dishwasher, and a classic butler sink — all set against elegant herringbone-style flooring that flows seamlessly throughout.

Double doors open dramatically into the front-facing sitting room, where two large uPVC windows fill the space with natural light. Feature panelling across two walls creates a chic media wall and adds a touch of luxury to this already impressive room.

Upstairs, two generous double bedrooms are beautifully finished in soft, neutral tones, each offering fitted wardrobes and clever storage solutions. The luxurious bathroom has been thoughtfully reimagined with a high-spec finish, featuring a digital rainfall shower over a deep bathtub, concealed cistern WC, and a sleek vanity unit with built-in storage. Contemporary aqua board splashbacks, designer tiling, a statement towel rail, and continued herringbone flooring elevate the space even further.

To the rear, the garden offers a true extension of the living space — an expansive, sun-soaked area perfect for relaxing or entertaining. A substantial timber deck with a pergola provides the ideal spot for al fresco dining, while raised flower beds and a generous lawn are enclosed within smart timber fencing. A shingled corner houses a handy storage shed, and the clad garage offers even more practicality with power, lighting, and side access.
