Description

A stunning Barn Conversion set within an enclave of rural buildings that formed part of a bigger farm before conversion. Set back off a country lane the property sits within its own private garden that wraps around the home offering great sunny patios and planting areas. The old cart entrance to the barn is a now glazed and beams light into the heart of the barn from both sides where I am sure you will be wowed by the double height entrance and mezzanine floor above exposing the beams, ribs and added brickwork that continues throughout the home. No less than you would expect from a converted barn and this does not in any way do so.

The entrance hall is used as a reception space but has great flexibility and offers access to the rear as well as all spaces within the barn. A very useful storage cupboard for coats and shoes and a downstairs shower room run directly off this area. A large L shaped sitting / dining room sets itself around a brick fireplace with inset wood burning stove for those more cosy evenings. This flows into the country shaker style fitted kitchen and utility / boot room with exit to the garden. Windows to the wrap around garden and Oast houses beyond are everywhere making this a bright and airy home.

The mezzanine landing can be used as a study area and again offers a bright open space looking down into the reception hall with the glass from both sides. This gives access to the four bedrooms and a central family four piece bathroom. The main bedroom sits to the rear of the home and offers a bank of built in wardrobes plus ensuite facilities including a bath with shower over. The three further bedrooms are all doubles and offer built in wardrobes also. The current vendor uses some of the bedrooms for study areas.

Externally the stunning garden is very private and offers great use all the way around the house including to the front as the property is fenced well. The property also offers a detached double garage and parking outside of the garden off a recently enhanced and paved driveway.

West Malling

The property sits on the rural edge and within walking distance of the historic market town of West Malling with a broad high street of specialist shops, Post Office, Boots Pharmacy and Tesco stores and a great selection of restaurants and public houses.
