Description

Situated towards the end of a popular Private Road in West Kingsdown this substantial home is looking for a new family owner. A spacious home with large rooms throughout with a great sized entrance hallway incorporating a downstairs cloakroom for convenience. For those working from home it boasts a great sized study or as an option to become a play or hobby room. A large lounge incorporating a formal dining space has a large feature fireplace with wood burning stove. The kitchen diner is a very good sized open space that runs across the back of the home offering a great opportunity to extend or open more to the stunning garden to the rear. A useful utility room links the kitchen and integrated double garage which also gives great opportunity for further flexible development.

Upstairs the home boasts five bedrooms and two bathrooms. The main bedroom has integrated wardrobes and benefits from an ensuite bathroom. Two of the other good sized bedrooms link into each other and the largest room is L shaped running over the garage. This in our opinion gives flexibility of usage to become an annexe for an older child or could be separated further using the double garage below. A good sized four piece family bathroom services the other bedrooms.

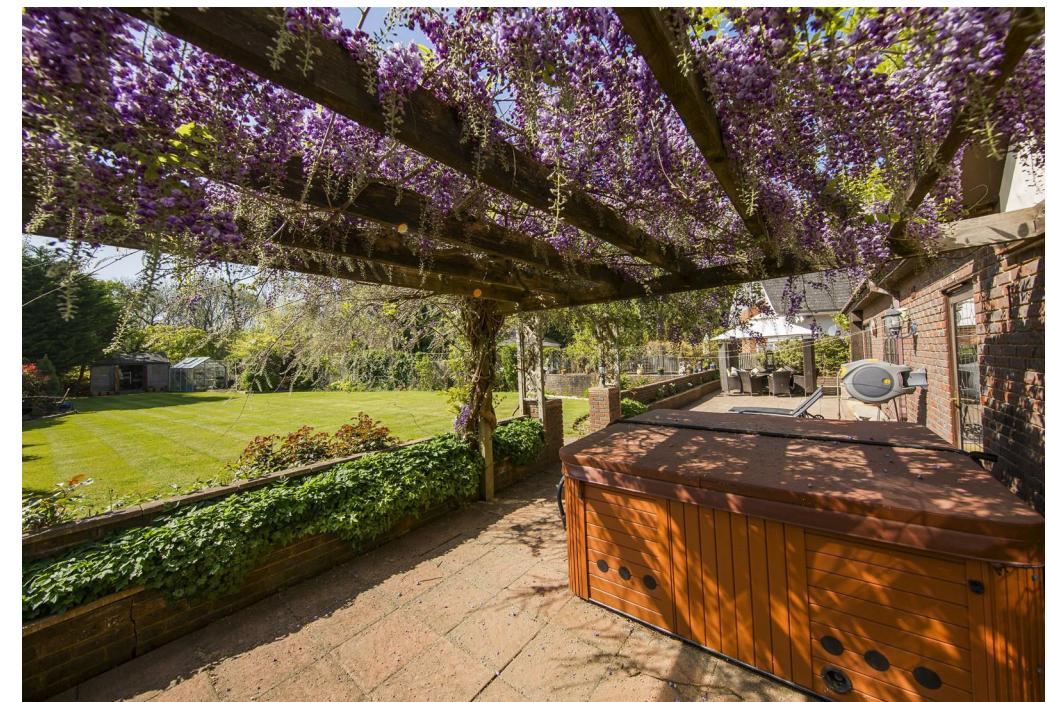

The rear south facing garden is stunning. A large patio and covered area with fabulous wisteria over a hot tub we understand will be left. A large pond for those looking for a home for carp is in place and runs out to the large lawn in this private garden. A shed and greenhouse are positioned at the end of the garden.

The front of the house is very impressive with its in / out drive and double integrated garage giving great options for parking.
