This wonderful 3 bedroom character property is ready for the new owner to call it home. Oozing charm and character throughout, this property is jam packed full of features including off street parking, multiple reception rooms and large rear gardens which back on to picturesque fields. Idyllically located on Tatenhill Common, between the much sought after villages of Tatenhill and Rangemore. With great transport links, fantastic school catchment, and a real countryside feel.

The off-road parking is located to the right-hand side of the property. As you enter through the front gate and through the entrance to the property you enter the first of the reception rooms. This room benefits from timber beams, feature fireplace and lovely bay window.

Beyond this reception room you enter the kitchen area, the kitchen overlooks the rear courtyard and comes with great storage options, ample workspace and again has feature ceiling beams. The kitchen flows nicely into the dining room, the dining room benefitting from a huge sliding door that goes into the courtyard and has feature beams.

The second living space is accessed from the kitchen, this room again has character features throughout including ceiling beams, fireplace and a lovely bay window that allows the room to have great natural light.

The first floor consists of 3 bedrooms and an office. The 2 secondary bedrooms are both a fantastic size, they would both easily take double beds, one is currently being used as an office. There is also an open living space upstairs which would make an ideal office or reading nook.

The master bedroom is very generous and easily has room to have a built-in wardrobe if desired.

The bedrooms are serviced by a family bathroom including a bath with an overhead shower, sink and WC.

The rear gardens are very impressive, first you have the courtyard which is accessed from the dining room, this makes an ideal place to entertain. There are numerous outhouses which are all part of the same building. They are currently being used as storage however this could be converted into a self-contained studio or large home office.

The rear gardens themselves are huge, these well-maintained gardens feature mature trees, well maintained lawns and have spectacular views over the countryside.
