Set in idyllic countryside surroundings is this outstanding barn conversion featuring an exceptional interior including a stunning high quality kitchen/dining/living space, multiple living areas, four bedrooms and three bathrooms together with a triple car barn and workshop, standing in beautiful gardens with stunning views.

This detached barn conversion is set in an exclusive gated development adjacent to the historic Sinai House on high ground enjoying extensive views across surrounding countryside, Burton on Trent and beyond.

Standing in its own wonderful established gardens this impressive property has electric gates opening into a block paved drive together with a superb detached triple car barn with workshop. There is planning permission to add an additional garage and store.

This home offers stunning living space combining a character feel with tasteful contemporary additions, perfect for modern family life and entertaining with under floor heating throughout the ground floor.

The reception hall features oak flooring with oak doors leading off. The living room has a high vaulted ceiling with a wonderful brick fireplace with stove, revealed timbers and stairs to a lovely mezzanine home office/den with views down to the living room.

Without doubt the highlight of the barn is an outstanding extended and refitted kitchen/dining/living space. The exquisite kitchen is fitted with gloss finished units complemented by Corian work surfaces and a Tiger wood breakfast bar. Integrated Neff appliances including two ovens with slide and hide doors, dedicated steam oven, induction hob, microwave, Smeg rising extractor fan, fridge and freezer plus a Quooker hot water tap. Over the sink is gloss black electric touch open cabinetry. The dining/living area offers the perfect space to entertain with wide bi fold doors opening out to the gardens.

Off the kitchen area a hallway leads to a useful utility room, luxury bathroom and a bedroom that is currently being used as a gym.

Off the main entrance hall is a large double bedroom complete with built in storage and views to the front and rear and its own well appointed en suite bathroom.

Completing the ground floor is a further bedroom and a guest's WC.

The landing leads to a lovely double bedroom with built in storage and across the landing is a luxurious dressing room with fitted storage (this could be easily removed to create a bedroom). Completing this floor is a bathroom with a four piece suite and storage cupboards off the landing.

The barn features extensive gardens in peaceful surroundings perfect for families to enjoy together. An impressive entertaining space has been created in the rear garden with contemporary glazed panelling around a paved terrace with pergola over and a brick built barbeque.

Approached via a shared private drive which has two remote security gates leading to this stunning location which is a hidden gem of Burton, situated - as previously mentioned - adjacent to the historic Sinai House, with some wonderful far reaching extensive views of Burton. Similarly, this position allows for direct access to enjoy excellent dog walking trails and footpaths through to Tatenhill.

Whilst enjoying an idyllic, rural setting, the property is also well-placed for commuting, with the A38 providing direct access into many Midlands commercial centres and the A50 to the M1 East Midlands. Conveniently, this property is also only a 5-minute drive from Burton's town centre and benefits from being in the catchment area for John Taylor High School.
