Well presented modern detached home with well planned and good sized accommodation, occupying a pleasant corner position on the popular development, suitable for a variety of potential buyers.

Situated on phase one of the popular St Modwen's Bramshall Meadows development built in 2020, viewing of this delightful home is strongly recommended whether you are looking for your first home, moving up or down the property ladder or for a buy to let investment. Also recommended to appreciate its condition and most notably the lovely corner position, enjoying a pleasant part walled garden with off road parking and a garage to the side. Situated on the popular development within easy walking distance to the new first school found on the estate, local amenities and the town centre are also within easy reach.

A composite door with obscured double glazed side and up lights opens and provides natural light to the welcoming central hall, having stairs rising to the first floor and doors to the ground floor accommodation, plus the fitted guest cloakroom/WC which has a white two piece suite. To the left is the generously sized lounge which extends to the full depth of the home with three dual aspect windows providing an abundance of natural light and a focal fireplace surround and hearth.

On the opposite side of the hall and also extended to the depth of the property, is the fitted dining kitchen where there is a range of base and eye level units with fitted worktops and inset sink unit set below the front facing window, fitted gas hob with extractor hood over, built in double electric oven and integrated appliances including a dishwasher and fridge freezer. Double doors open to the useful understairs laundry cupboard which has a fitted worktop, with plumbing for a washing machine and additional space below. Light flows into the dining kitchen from the wide French doors which open to the patio an enclosed garden.

To the first floor, the landing has built in storage and access to the loft, doors opening to the three good sized bedrooms, plus the fitted family bathroom which has a modern white suite incorporating a panelled bath with a mixer shower and glazed screen above. The pleasant master bedroom has French windows and a Juliet balcony to the front, plus a built in double wardrobe and the benefit of a fitted en suite shower room having a white suite incorporating a double shower cubicle and a side facing window providing light. The second bedroom also has the benefit of a built in double wardrobe, while the third bedroom has dual aspect windows.

Outside to the side of the property, a paved patio leads to the part walled enclosed garden which is mainly laid to lawn and extending to the rear elevation, providing a blank canvas to landscape as you please, with gates opening to the side drive and garage, plus the front elevation. To the front there is a well stocked shrubbed border containing a variety of plants, extending to the opposite side elevation where there is also a further lawn with shrubbed beds. To the side of the property, a tarmac driveway provides off road parking for several vehicles leading to the garage which has an up and over door, power points and light. Please note, we understand there is a small annual charge for the maintenance of communal areas.
