£725,000

Extremely handsome traditional detached former farmhouse providing spacious and versatile family sized accommodation, occupying a lovely plot extending to approx. 0.33 acre in total.

Retaining a wealth of its original character and features, internal inspection and consideration of this majestic residence is strongly recommended to appreciate its room sizes and layout, the improvements made by the current owners, the versatility of the rooms and its enclosed plot which extends to approx. 0.33 acre in total.

Situated on the semi rural outskirts of Uttoxeter and only a short drive away from its wide range of amenities, the property is also within easy reach of the A50 dual carriageway which links the M1 and M6 motorways plus the cities of Derby and Stoke on Trent.

Accommodation - A composite entrance door opens to the welcoming central reception hall having a lovely timber staircase rising to the first floor with access to the cellarage below. Quality doors lead to the spacious and versatile ground floor accommodation.

Across the front of the home are the two equal generously sized principal reception rooms - the formal living room and dining room, both having focal living flame effect fires with feature surrounds and windows overlooking the garden.

The daily heart of this home is the separate sitting/family room which provides ample space for both dining and soft seating, having exposed beams, a focal chimney breast with a log burner set on a hearth and a side facing window. Doors lead to the enclosed rear porch which in turn opens to the courtyard, and a walk in cloakroom which has hanging space and a door to the fitted guest's WC having a modern two piece suite, also housing the freestanding oil fired central heating boiler.

Completing the ground floor accommodation is the fitted kitchen which has an extensive range of units with work surfaces and an inset sink unit set below the wide side facing window overlooking the garden, a fitted electric hob with a stainless steel extractor hood over, electric oven under plus a further fitted combination oven/microwave and coffee maker. Additionally, there is an integrated dishwasher and space for a fridge freezer. A composite door opens to the side garden and internal doors open to a walk in pantry having space for a fridge freezer, and to the fitted utility room which has range of units with work surfaces, an inset sink unit plus space for appliances.

To the first floor the landing leads to the six bedrooms, five of which can accommodate a double bed with the sixth bedroom making an ideal study if required. The two front facing large double bedrooms both benefit from superior en suite fully tiled shower rooms having white contemporary three piece suite incorporating double shower cubicles with mixer showers.

Completing the accommodation is the superior fully tiled family bathroom having a modern suite incorporating a panelled shower bath with a mixer shower over and glazed screen, built in airing cupboard and a side facing window.

The property is set back towards the rear of the enclosed plot which extends to approx. 0.33 of an acre in total having a wide lawn to the front which wraps around to both sides of the home including a feature enclosed lawn area to one side with central water feature and gravelled paths. At the rear is an enclosed 'courtyard' enjoying a good degree of privacy.

Electronically operated wrought iron gates open to the gravelled driveway providing ample off road parking for numerous vehicles, with an EV car charging point, leading to the detached double garage which has an electronically operated up and over door along with an adjoining store/workshop that opens to the rear 'courtyard'.
