A portico side entrance with decorative period door having stained glass inserts gives access to a lobby with Minton tiled floor. Leading off is a study having exposed floorboards, a period fireplace, dual aspect windows and a connecting door into the adjacent dining room.

Also off the lobby, a half glazed door leads into the central reception hall which is a magnificent space having a tiled floor and a period staircase off with attractive balustrade to an oversailing galleried landing above.

Off the hall is a guest's cloakroom WC and an attractive lounge with stripped pine floorboards, a brick fireplace with inset wood burner and shuttered reveals to the windows.

On the other side of the hall is a magnificent drawing room that is an impressive space having a period fireplace and open fire, an arch to a recessed area with fitted bookshelves and shuttered window together with French doors to a patio. A further alcove provides an attractive sitting area.

A lobby with tiled floor and fitted oaks cupboard gives access to the dining room which has exposed floorboards, a fireplace with stone hearth and two beams together with a brick feature chimney recess and access to a walk in pantry. Direct access leads to the kitchen that is fitted with an extensive range of base and wall units surmounted by worktops, tiled floor, oil fired Aga to recess with granite worktops and Belfast sink equipped with a Quooker instant hot water tap plus an integrated dishwasher. The kitchen further opens into a wonderful garden or breakfast room which has tiled flooring and opens out into a PVC double glazed conservatory with cupboard housing the gas boiler.

A utility room has fitted base and wall cupboards, worktops, stainless steel sink, tiled splash backs, tiled floor, appliance spaces and plumbing for an automatic washing machine.

To the first floor arranged around a central galleried landing are two attractive double bedrooms served by a short flight of stairs to the front plus a staircase leading off to the second floor. A family bathroom has feature painted panelling to the walls, an inset bath, WC and wash hand basin together with an airing cupboard.

The master bedroom suite is very impressive comprising a large double bedroom with feature fireplace and sitting area, a great sized dressing room with lovely floorboards and a range of extensive fitted cupboards together with a large en suite bathroom equipped with a corner bath, walk in shower, bidet, WC and pedestal wash hand basin.

To the second floor, a landing gives access to a further attic storage space along with bedrooms four, five and six plus a shower room in a 'Jack and Jill' style which makes this a great teenagers suite allowing for a study or a sitting room in addition to bedrooms.

The property is accessed via a side driveway providing parking outside the property along with a pair of double gates giving further access to an extensive block paved parking area leading to a detached Heritage style double garage which has twin electric roller doors. A stairway leads to a gym or office above. At the rear is a sauna cabin and a further timber garden shed.

The lovely enclosed garden is attractively landscaped with paved and decking patio areas, dwarf walls, decorative borders, extensive lawns and well stocked herbaceous areas. There is a solar PV array with feed in tariff and battery storage over the garage.

The property is full of original character and detail as you would expect for a property of this age including extensive tiled floor, pine and panelled interior doors, wonderful fireplaces and exposed timberwork.

Great Haywood is a popular Staffordshire village offering a range of amenities including a doctor's surgery, pharmacy, village store, a warm and welcoming village pub and also the excellent farm shop on the edge of the village. The Shugborough Estate is also close by as is Cannock Chase, a place of outstanding natural beauty. The nearby county town of Stafford has a wide range of amenities including supermarkets, shops, bars, banks, restaurants and pubs. Nearby road links include junctions 13 and 14 of the M6 that provide direct access into the national motorway network.
