

An extended traditional semi-detached house which requires modernisation. The property has the benefit of gas fired central heating, three bedrooms (bedroom three has currently been converted into a WC) and is situated on an attractive plot with established garden.

£220,000

The reception hall has stairs rising to the first-floor landing, useful storage space and a guest WC off.

The extended lounge is spacious and there is a separate dining room. Please note, there are gas fires in both rooms, however, we cannot confirm that they are safe and in working condition.

The kitchen has also been extended and has a range of white units with contrasting work surfaces, stainless-steel sink and drainer, hob and a separate split-level oven.

The first-floor landing leads to two double bedrooms. The third bedroom has been converted to a WC and houses the wall mounted gas boiler. There is also a shower room, having a corner shower with electric shower unit, wash basin, tiling to all wet areas and a tiled floor.

The property stands well back from the road behind a driveway capable of parking two cars and gives access to the garage. To the rear of the property, there is a paved sun terrace with dwarf height wall and border, with steps up to a lawn which has mature, well stocked borders. There is also a garden shed and greenhouse.

The property is situated in a popular location, very convenient for the town centre of Stafford which has an intercity railway station with regular services to London Euston, some taking only approximately 1 hour 20 minutes. Junction 14 of the M6 provides direct access into the national motorway network and M6 toll.

Agents note: The property is not registered with Land Registry and will require a first registration on sale, for which most solicitors will make an additional charge.

Tenure: Freehold (purchasers are advised to satisfy themselves as to the tenure via their legal representative).

Please note: It is quite common for some properties to have a Ring doorbell and internal recording devices.

Property construction: Standard

Parking: Drive & garage

Electricity supply: Mains

Water supply: Mains

Sewerage: Mains
