Sought after location, this extended four double bed roomed house must be seen to be appreciated. The open plan kitchen/dining/living room which opens onto the rear terrace is a great family space. There is a separate lounge, utility room, downstairs shower room and upstairs bathroom. The extensively fitted kitchen has integrated appliances and centre island breakfast bar. The owners have fitted oak architraves and doors throughout, complemented by the oak staircase with glazed panels. The south facing garden has a detached 'lodge' ideal for an office or leisure activities, along with an outdoor kitchen with timber frame canopy over, millboard decking for dining, which is perfect for al-fresco dining and entertaining. A very deceptive home. Situated close to local primary and secondary schools, Sir Joseph Williamsons Mathematical and Rochester Girls Grammar schools. Rochester High Street is within two miles with its variety of independent shops, cafes and restaurants, along with the mainline station offering Hi-Speed services to London. There are good links to the A2, M2 and M20. Call to view.
