A BEAUTIFUL HOME IN A TRANQUIL SETTING CLOSE TO SEA FRONT!

Situated in a most convenient, yet tucked away town centre location, this attractive Grade II listed DETACHED HOME has recently been very tastefully upgraded by the current owner and offers such charm, quality and modern luxuries! The 3 BEDROOM accommodation - with lovely period features and high ceilings - also comprises a large sitting room with LOG BURNER, a charming dining room, and 'sunny' breakfast room leading to the stunning BESPOKE KITCHEN with large pantry. There is a spacious, luxurious family bathroom and additional W.C. on the first floor, with benefits including gas central heating (electric under floor heating where specified), shuttered windows, and a secluded walled south facing low maintenance COURTYARD with lighting - offering enough space for a bistro table and chairs, plus barbecue for al fresco dining. The added bonus is the secure side store (ideal for bicycles, etc). We understand a parking permit can be applied for at the Isle of Wight Council. Situated just a short stroll from the town centre, mainland links and beautiful beaches, this lovely residence, in our opinion, would suit those seeking both a main or second residence. Viewing is essential!
