## Offers In Excess Of £675,000 Freehold

A double fronted mellow brick period cottage set back from the road behind a wide verge just 150 yards from Wendover Clock Tower and the High Street. The cottage oozes charm and character with an inglenook fireplace and a proliferation of beams, including three rare cruck trusses. It is likely that purchasers will wish to modernise and possibly extend the kitchen and to carry out upgrading and redecoration. It is very unusual for a well located cottage with 3 bedrooms, a good garden and a garage to become available in Wendover so an early inspection is recommended.

The accommodation comprises; entrance vestibule, sitting room, dining room, kitchen, rear lobby, cloakroom, three bedrooms, bathroom, large rear garden and a garage.

Wendover is a sought after village at the foot of the Chiltern Hills with a picturesque village centre. There are a variety of interesting shops, many restaurants, a weekly market and schooling for children of all ages. There is a main line railway station with regular trains to London Marylebone taking less than 50 minutes.
