Flint Cottage, located in the charming village of Great Kimble, is a beautifully restored, two-bedroom thatched cottage, dating back to the early 1800s. This detached property captures traditional English country charm with its flint walls and red brick detailing, while offering modern comforts throughout.

The cottage enjoys a secluded, landscaped garden that's ideal for relaxing or entertaining. Inside, it retains many original features, including exposed beams and historic architectural details. Originally thought to have been two separate dwellings, Flint Cottage now provides an inviting and cohesive space that balances period character with practical updates.

The ground floor includes three reception rooms, providing versatile spaces for dining, entertaining, or simply relaxing. The kitchen blends rustic charm with modern functionality, and a convenient cloakroom is located on this level as well. Upstairs, there are two double bedrooms and a bathroom, all thoughtfully updated to enhance comfort and style. Flint Cottage is a rare find, combining period charm with practical enhancements in a peaceful countryside setting—ideal for those looking for a characterful yet comfortable home in the heart of the English countryside.

Beautifully maintained and restored thatched cottage with no upper chain.

Improvements

Since 2018, the current owners have invested in numerous improvements, including:

A new boiler and traditional-style radiators for efficient heating. Metal-framed double-glazed windows on the front elevation and restored and repainted windows at the rear for added insulation. Significant upgrades to insulation, electrical systems, replumbing, replastering, and redecorating, ensuring the home is both comfortable and energy-efficient. A new, bespoke barn-style garage was completed in 2023. With timber front doors, power supply, and a convenient access door to the garden, this garage also provides valuable off-street parking and complements

the property's historic appeal.
