New Berkeley House – The Epitome of
Luxury Village Living

On The Ground Floor

The grand entrance hall sets the tone with oak detailing and practical built-in storage. The heart of the home is the vast open-plan kitchen/breakfast/family room, complete with a bespoke kitchen, oversized island, and a large larder/home hub – ideal for everyday convenience or hosting. A feature log burner adds warmth and character, while bi-fold doors flood the space with natural light and invite you into the garden. There is a separate formal dining room and a spacious living room with a second log burner, offering versatility for modern family life. The ground floor also includes a cloakroom and a utility room with side access.

On The First Floor

The first floor is beautifully arranged with five double bedrooms, each served by its own en-suite or access to a private bathroom, providing both comfort and privacy. The principal suite includes fully fitted wardrobes, a separate vanity/dressing area, and a beautifully appointed en-suite. Luxurious finishes such as full-height tiling, high-spec sanitaryware, and soft carpets make these spaces feel like boutique hotel suites.

Outside

Positioned beside the village green, New Berkeley House benefits from a wonderful setting with countryside views and a peaceful backdrop. The generous rear garden is laid to lawn and patio – perfect for entertaining – and accessed via bi-fold doors from the family room. A detached double garage with ample driveway parking completes the exterior of this stand-out property. The development itself is a quiet cul-de-sac of just nine private homes, fostering a sense of community and exclusivity.

Last Two Remaining

The Green at Owlswick is now nearing full occupation, with just two remaining opportunities to purchase in this prestigious development by Kendrick Homes. Surrounded by open countryside yet within easy reach of rail links to London and nearby market towns, these individually crafted residences offer an exceptional lifestyle. Don't miss your chance to secure a luxury home in this rare village setting – homes of this calibre are seldom available.
