Red Lion House Chiswick W4

Situated within the Chiswick conservation area on the picturesque and highly sought-after Chiswick Mall, is this imposing five bedroom, Grade II listed, family town house. Red Lion House was formerly a public house belonging to the local brewery and has been majestically updated and improved by the current owner over the past 35 years of their tenure, including a new roof and updated plumbing and electricity. Believed to have been reconstructed in the early 18th century upon foundations of an earlier dwelling from the previous century, Red Lion

House offers the new owner endless opportunities of habitable possibilities within its current 4859.00 sq. ft. of living area. The property is approached from Chiswick Mall and has unrestricted views of the River Thames and Chiswick Eyot, its river garden being offset to the right-hand side of the property looking outwards.
