Chiswick Staithe Chiswick W4

RiverHomes is delighted to bring to market this magnificent four bedroom south-west facing townhouse adjacent to the banks of the River Thames with lateral views of the river, providing almost 2,000 sq. ft. of living space and excellent value for money. Chiswick Staithe is an award-winning development of townhouses on the Thames. It has its own private river frontage and quay, with a winch for light boats. An unusual feature for a modern development is the substantial car-free green area and garden at its heart, which gives the atmosphere of a

'cathedral close'. The development was designed in 1963 by a local architect, Edward Armitage, and contains a variety of house layouts and some interesting architectural features.

The property is located in a quiet cul-de-sac off Hartington Road with off-street parking. The ground floor consists of the fourth bedroom, downstairs toilet, utility room and gym. The first floor is made up in its entirety of a spacious modern kitchen/lounge/dining room leading out to the garden.
