Belle Vue Cottages Chiswick Mall W4

A stunningly presented Grade II listed Victorian Cottage on 'exclusive' Chiswick Mall. Recently renovated by award-winning interior designers 'Bergman Design House' with no expense spared with a Hygge Scandinavian approach in mind: (a feeling of belonging and warmth; a moment of comfort and contentment). Located in a quiet cul-de-sac off Chiswick Mall, the cottage is approached through a private and beautiful Italian-style courtyard garden, with planting arranged so that there is colour all year around.

The front porch leads into the living / dining room with two working fireplaces and naturally stained oak floors with underfloor heating, which in turn leads into the modern 'Scandi' style kitchen, with SMEG appliances, whose walls, counter tops and sink are clad in carved Breccia oyster Italian slabs. Next to the kitchen is a stunning ground floor bathroom, with underfloor heating and vanity unit made from carved Picasso Italian marble and integrated Rocha Japanese self-wash and bidet toilet.

Upstairs, you will find two double bedrooms with cathedral ceilings, stylishly designed with a huge amount of bespoke storage, the third room has been left with options to create a third bedroom / study or upstairs wet room with a Rocha toilet and carved Italian travertine sink already installed.

In addition, there is also a brand new boiler and all lighting is dimmable for ambient or strong light. Chiswick Mall is a ten minute walk from the Chiswick High Road with its array of independent shops and restaurants and Turnham Green Station is 20 minutes from Heathrow Airport accessed from the A4 / M4.
