All energy costs of the social lounge and other communal areas are also covered in the service charge. For your peace of mind the development has camera door entry and 24-hour emergency call systems, should you require assistance. The communal lounge provides a great space to socialise with friends and family. If your guests have travelled from afar, they can extend their stay by booking into the development Guest Suite (usually for a fee of £25 per night – subject to availability). It is a condition of purchase that residents must meet the age requirement of 60 years or over.
