To the front the property is accessed from the A390 and pavement area. Behind the pillared open driveway entrance with raised attractive low level planted borders, offering ample parking for numerous vehicles. The driveway continues down the side of the property.

The front garden area is low maintenance and extra parking could be obtained if needed. The original driveway continues up to the side of the property where currently there is a latched high level gate and fence that opens through into landscaped rear garden.

There is a terraced paved patio area, a generous size potting and storage shed to the side and beyond leads to the wonderful addition of the original garage which is now a useful workshop and storage.

High level ceiling window there is low level WC and hand basin with vanity mirror fronted storage unit above and pull cord. With marble effect bath sheet panel surround which continues into the shower. Chrome heated ladder towel rail. Coloured wood effect laminated flooring. Recessed spotlighting.

Former Detached Garage Now Workshop Storage

23'6" x 14'5" (7.18 x 4.41)

Having three double glazed windows to one side and one opposite, original features can also be seen with a former garage workshop pit.

To the side there are numerous areas where you can sit and enjoy the sunshine and in privacy. There is an area of lawn and beyond leads to a wonderful good size sunny aspect garden, throughout the day and into the evening. Nestled in a corner there is a hardstanding picnic bench area and a further high level latched gate giving access back around to the side.

Agents Notes

The former garage is now a workshop and currently in use as a business. Please be aware of a working environment. The property has also has external insulation
