To the front and side elevations louvre doors open to provide access to eaves storage. Carpeted flooring. Agents Note: This room could be split into two rooms should an additional bedroom be required.

**Outside**

To the front of the property the front garden is laid to an array of established planting and shrubbery. To the left, a wrought iron gate opens to provide access to steps leading up to the front door. The front garden is split into two well planted tiers with stone paved walkway providing access, the top tier in the form of a paved patio.

We are advised that although the property has no official parking there is on street parking available on a first come first served basis.

One of the main selling points to this impeccably presented home is the well stocked rear garden.

Initially off the property there is a large hardstanding area, complete with outdoor tap. There is a shared walkway to the adjoining property which has right of access over the initial rear area and back around the side to the front.

Beyond this area steps lead up to provide access to the formal garden. Impeccably presented and extremely well stocked with an array of evergreen plants and shrubbery.

The garden is split into two sections with a number of secluded areas and two paved patio areas. There are a number of established planting beds, potting shed, greenhouse and vegetable beds. This spacious rear garden offers a good degree of privacy.

**Council Tax Band - C**

**Broadband and Mobile Coverage**

Please visit Ofcom broadband and mobile coverage checker to check mobile and broadband coverage.

**Services**

None of the services, systems or appliances at the property have been tested by the Agents.

**Viewings**

Strictly by appointment with the Sole Agents: May Whetter & Grose, Bayview House, St Austell Enterprise Park, Treverbyn Road, Carclaze, PL25 4EJ  
Tel: 01726 73501 Email: sales@maywhetter.co.uk

**Agents Notes**

Number 5 is the middle property of a terrace. A right of way serves all three properties giving level access to the road from the rear of the properties. All three properties contribute to any maintenance works needed on the Right of Way. A drainage pipe servicing 2 of the 3 properties travels down the shared right of way to the road. No Gas
