Plymouth

The waterfront city of Plymouth is set in one of the finest locations in the country, it stands right on the border between Devon and Cornwall overlooking the spectacular waters of Plymouth Sound to the south, while the remote beauty of Dartmoor National Park nudges its margins to the north. Both Devon and Cornwall have long been cherished as holiday destinations with fabulous beaches, stunning unspoilt countryside, historic town and many more famous attractions such as the Eden Project. Plymouth city centre has a pedestrianised shopping centre with its newly opened undercover shopping centre. It has a large modern multi-screen cinema complex and the well-known Theatre Royal which regularly plays host to The Birmingham Royal Ballet in addition to the musicals, plays, comedies and operas that are staged throughout the year. In contrast, The Barbican offers a more cosmopolitan atmosphere being Plymouth city's oldest quarter. The area overlooks a pretty harbour and includes a variety of small independent shops, a number of wine bars, restaurants and cafes with open air seating. Plymouth is easily accessed via the M5 motorway which joins the A38 at Junction 31. The city can also be reached via rail, via the National Express coach network and via airports located in Exeter (49 miles away) and Plymouth airport (5 miles from the city centre). This house Occupying an ideal central location between Central Park, Mutley Plain, City Centre and University, less than half a mile distant.

Millbridge

Millbridge is a small neighbourhood of Plymouth, on the boundary of what used to be the towns of Plymouth and Devonport. What was originally a self-standing village (which has now been subsumed within the city) lies to the north of the toll bridge, originally built by Sir Piers Edgcumbe in 1525, that crossed what used to be the Deadlake or Stonehouse Creek, to the west of Pennycomequick, the south of Stoke village and to the east of Stoke Church. It derives its name from the old toll bridge (adjacent to a naval saw mill) across the creek between Eldad Hill and Molesworth Road, at one time the principal link between Plymouth and Devonport. The creek to the east of the bridge was filled in with material from the quarries at Cattedown and Oreston during the late 1890s and the ground created became a municipal park, Victoria Park, which was officially opened in 1903. The remainder of the creek to the west of Millbridge, up to Stonehouse Bridge and Pool, was filled in and by 1972 the whole area had been developed as rugby pitches. These pitches are often used by Devonport High School for Boys and the Old Boys RFC
