## Plymouth

Plymouth, Britain's Ocean City, is one of Europe's most vibrant waterfront cities. Located in one of the most beautiful locations imaginable, Plymouth is sandwiched between the incredible South West coastline and the wild beauty of Dartmoor National Park. Plymouth is 37 miles south-west of Exeter and 190 miles west-south-west of London, between the mouths of the rivers Plym to the east and Tamar to the west where they join Plymouth Sound to form the boundary with Cornwall, it is also home to one of the most natural harbours in the world. To the North of Plymouth is Dartmoor National Park, extending to over 300 square miles, which provides excellent recreational facilities.

The city is home to more than 260,000 people, making it the 30th most populated city in the United Kingdom and the second-largest city in the South West, after Bristol and has a full range of shopping, educational and sporting facilities. There is mainline train service to London (Paddington) and to Penzance in West Cornwall.

There's everything that you would expect to find in a cool, cultural city, with great shopping, arts and entertainment. But there's also hundreds of years of history to uncover, from Sir Francis Drake and the Spanish Armada to the Mayflower sailing in 1620, to a city rebuilt following the Blitz during World War II. With easy access to Exeter and its International Airport and a mainline train station giving direct access to London and a ferry port offering sea crossings to both France and Spain.

Plymouth is governed locally by Plymouth City Council and is represented nationally by three MPs. Plymouth's economy remains strongly influenced by shipbuilding and seafaring including ferry links to Brittany and Spain, but has tended toward a university economy since the early 2000's. It has the largest operational naval base in Western Europe – HMNB Devonport.

## Keyham

Keyham is close to HM Naval Base, Devonport and the associated Dockyard making this property ideal for someone either in the forces or dockyard workers. It is a predominantly Victorian / Edwardian built area. It was built to provide affordable housing for the thousands of dockyard workmen. In the early-19th century, Devonport Dockyard was smaller than now; it was enlarged mid-century by Keyham Steam Yard - Keyham at that period was a suburb of Devonport itself. Keyham Steam Yard was one of the locations for the first trials of the Fairbairn patent crane. The Roman Catholic Church of Our Most Holy Redeemer was built in 1901 but was destroyed by fire following a bombing raid in 1941 and it was rebuilt in 1954. Parts of the southern end are now subject to massive redevelopment using a regeneration package. It has a railway station, Drake Primary School and Keyham Barton Primary Schools, educate 4 - 11 year-olds, with most secondary school children, attending Stoke Community College, Devonport High School for Boys or Marine Academy Plymouth (in King's Tamerton). College students, may attend Goschen Centre, or the Kings Road Centre.
