The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

IMPORTANT NOTICE

For the sake of clarification we wish to inform prospective purchasers that these particulars are prepared as a general guide. All measurements are intended only as a general indication of size. Purchasers should be aware that in some properties, sloping ceilings may reduce available space and room plans may vary. Room sizes should NOT be relied on for carpet sizes, fitted furniture, etc. These particulars do not constitute or form part of any contract.

AGENTS NOTES

Please note that we have not carried out any test on any service or installation or fixed appliances. Purchasers are always advised to have their own survey.
